Rights and Values

Dr. Elisabeth Selbert (1896 – 1986), lawyer in Kassel

As a SPD member of the Parliamentary Council in 1948/1949, she was one of the four "mothers of the Basic Law".

The inclusion of equal rights of men and women in the basic rights section of the Federal German Constitution is largely due to her.

Article 3, paragraph 2 "Men and women shall have equal rights."

Thought Path II: "The Oriental Way" - 13 positions of Asian thought from three millennia.

Thinking Path III: A literary course from Homer to Handke. 13 sentences about man and the world from the canon of the West.
