

SERN

Sweden Emilia Romagna Network

ABOUT SERN

- » Transnational network between Sweden and Italy
- » Created in 2005
- » Fostering cooperation between North and South of Europe
- » Multilevel membership
- » **59 members**
 - Regional and local authorities
 - Non-public actors

VISION

SERN is one of the leading transnational networks of local and regional actors fostering North-South cooperation in the European Union. SERN wants to increase the quality of life and the opportunities for the citizens in the municipalities and regions belonging to the network.

MISSION

The network through its activities contributes to building a European Union driven by North-South collaboration where Italian and Swedish communities and their citizens are key drivers of change towards a more inclusive, sustainable, and digitalized society.
